## 2004 LES AMIS

*“I was honoured when my good friend Ignatius Chan, formerly of the Les Amis group, asked me to make a wine for the renowned Singapore establishment in 2001. This unique parcel of Grenache, sourced from a single, old vineyard (128 years) in the hamlet of Greenock, has successfully endured eighteen months maturation in new French barriques.”*

*David Powell, Chief Winemaker*

*The 2004 Les Amis is a direct and distinctive reflection of the 2004 Vintage – flamboyant, rich and elegant. The nose flows from lavender, violets, black cherries and squashed raspberries to liquorice and spice. The overtly opulent palate is silky smooth, persistent and spicy, with a hint of refreshing, juicy fruit just to remind you that this is actually Grenache.*
