

Dear Liz & Dave,

Thank you so much for the once in a lifetime experience you gave us last week-end. It was a truly memorable week-end and one we will savour for many years to come.

Whilst we had many people envious of us prior to our visit, the number is increasing daily as we recount the week-end's events.

Apart from the exceptional wines and dinner, a key to our enjoyment was the wonderful treatment by all of your staff. Everyone made us feel completely at home and continued, throughout the week-end, to go out of their way to ensure we wanted for nothing.

Having now returned to the realities of our normal life, we must congratulate Liz and yourself for the wonderful team you assembled, without exception they demonstrated your same passion for the business. Such loyalty and commitment by the staff is a credit to each of you as it does not simply happen, it is truly special.

Whilst we hope to go on enjoying Torbreck wines for many years to come, the week-end's experiences will never be far from our minds.

Thanks for the experience and a special thanks to all your staff.

Trust we can catch up some time in the future.

Kind regards,

Joy & Bruce
